This kit is for those who already bought the Parc Models 1/72 decal sheet or wants to buy only the resin upgrade.

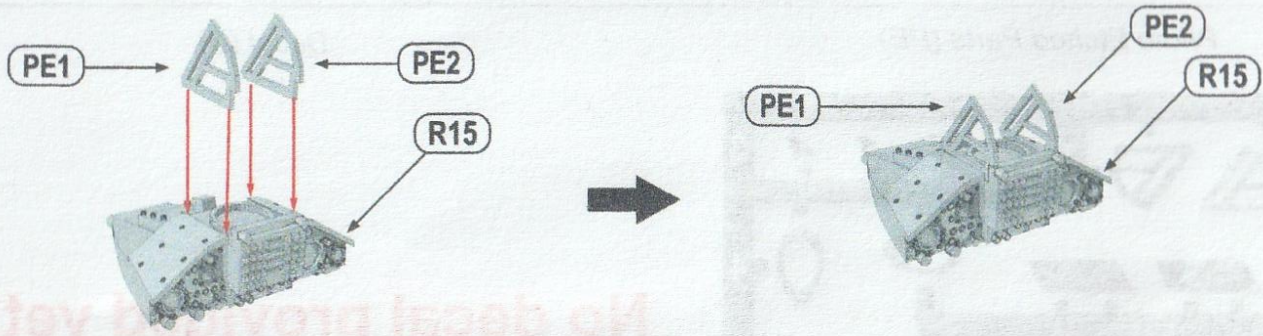

Resin Parts (R)

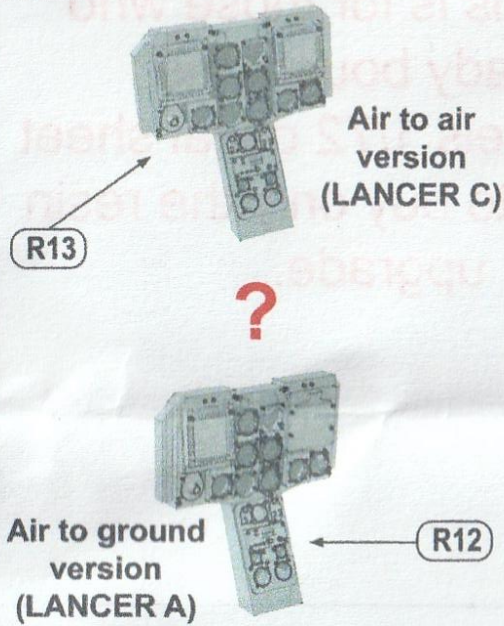

- 1 - It is a good idea to paint cockpit pannels and parts before assembling (see STEP 7).
- 2 - After that apply a dry brush.
- 3 - A clear glossy coat and a dark wash might help.
- 4 - Finally seal your work with a clear satin coat.
