F-16C 86-062 was responsible for a MiG-23 kill on 17 Jan 1993.

While piloted by 1Lt. Craig "Trigger" Stevenson, this aircraft achieved this kill with an AMRAAM shot. The aircraft was assigned to the 23TFS/52TFW and patrolling the No-Fly Zone from Incirlik AB, Turkey.

This kill was the 65th Air-to-Air kill for the Viper.

F-16C Block 30
 162nd FS, 178th FW
 Springfield, Ohio
 September, 2004

Special Thanks to Mike Long and all the great guys at the 162nd Fighter Squadron!
